

AMENDMENT NO. 2 JULY 2013
TO
IS 877 : 1989 ACTIVATED CARBONS, POWDERED AND
GRANULAR — METHODS OF SAMPLING AND TEST

(Second Revision)

(Page 3, clause 11.2, sentence 2) — Substitute the following for the existing sentence:

‘Add from a burette 1 ml of methylene blue solution and shake for 5 min.’

(Page 3, clause 11.2, sentence 3) — Substitute the following for the existing sentence:

‘After the first 1 ml is decolourized continue to add methylene blue solution (1 ml at a time) till the blue colour does not disappear for 5 min.’

(CHD 1)
